

Memberships & Rates

eNeRGy Rock Gym offers several different membership options that can meet the needs of responsible and competent climbers. Normal hours are regular gym open hours that a staff member will be at the gym. This is the time to bring someone new to fill out paperwork and take care of all other business related activities. Extended hours are non-staffed. Members receive training and are considered Trained Operators. A Buddy System is in place and all members must climb with a buddy during the non-staffed hours: No Climbing Solo. Members must meet a checklist of criteria to become eligible for membership. More trust is involved. Do not break the trust! Surveillance cameras are recording to monitor extended non-staffed hours and reviewed frequently. Members are not permitted to climb alone.
